National Convention Centre Canberra
Sunday 22 June- Tuesday 24 June 2025**

Associated Pre-Meetings

- **Transplant Infectious Diseases Day - In partnership with the Australasian Society for Infectious Diseases (ASID): Friday 20 June 2025**
- **Frontiers and Challenges in Transplantation Course: Saturday 21 June 2025**
- **Solid Organ Transplant Symposium - Liver: Saturday 21 June and Sunday 22 June 2025**
- **Solid Organ Transplant Symposium – Kidney/Pancreas-Islet: Sunday 22 June 2025**
- **Solid Organ Transplant Symposium - Cardiothoracic: Sunday 22 June 2025**

TSANZ

The Transplantation Society of Australia and New Zealand

About Us

- TSANZ is the peak representative body of transplantation professionals in Australia and New Zealand and is a registered charity. It aims to promote research, best clinical practice and advocacy to improve outcomes and increase access to organ transplantation in both countries
- The Society seeks to understand issues in transplantation including issues which determine access to organ transplantation
- The Society brings together transplantation professionals in medicine and science, donation sector and allied health that share common ideals and principles
- TSANZ fosters and promotes a culture that supports high quality scientific research and education in solid and non-solid organ transplantation, encompassing research in the broad areas of Basic Science, Clinical Medicine, Immunology, Epidemiology and Surgery.
- The TSANZ endorses the Declaration of Istanbul on Organ Trafficking and Transplantation Tourism and supports the principles of the Helsinki Declaration on Scientific research.

About Our Meetings

Annual Scientific Meeting (ASM): Sunday 22 June to 24 June 2025

The 43rd TSANZ ASM promises to deliver a cutting-edge program, focusing on the latest research and clinical developments in transplantation and donation. Aimed at benefiting all involved in the sector, including trainees, allied health professionals, clinical specialists, researchers and scientists. We are delighted to feature local speakers and international keynote guests, and provide a forum for collaboration, collegiality and continued advancements in the patient care. The event is always a highlight for the transplantation and donation sector in Australia and New Zealand and will be held in Canberra over 2.5 days.

Transplant Infectious Diseases Day (TID): Friday 20 June 2025

In partnership with the Australasian Society for Infectious Diseases (ASID)

We are delighted to announce the inaugural Transplant Infectious Diseases (TID) day, a face-to-face meeting which will precede the TSANZ ASM and provide excellent education and networking opportunities. The TID day will focus on the pre- and early post-transplant and infectious disease care, including vaccination, donor-transmitted infections, resistant viral and multidrug resistant infections and the management of immunosuppression during active infections. With local and international speakers including Prof Cameron R. Wolfe from Duke University.

Given the ongoing importance of infectious disease in solid organ transplantation, the TSANZ/ASID TID day will bring together transplantation professionals and infectious disease specialists to highlight the importance and challenges of the identification and management of infections in solid organ transplantation.

Frontiers and Challenges in Transplantation Update Course (FACT):

Saturday 21 June 2025

An engaging and wide-ranging update course for all transplant clinicians and trainees, scientists and researchers. Featuring basic science and cutting-edge advances in transplant immunology through to clinical conundrums, including contemporary approaches to challenges in transplant patient management, immunosuppression and infectious sequelae. This replaces the previous post-graduate and masterclass sessions and runs from 8am to 5pm.

Solid Organ Transplant Symposium – Liver: Saturday 21 & Sunday 22 June 2025

The Liver Transplant Symposium has a longstanding history within the liver transplant community of Australia and New Zealand, running for over 20 years. It is the only annual event in Australia that brings together leading liver transplant surgeons, hepatologists, anaesthetists, nurse coordinators, and allied support teams. This symposium offers a rare and valuable opportunity for your team to engage with this expert group. The program is held over 2 days, commencing 11 am on Saturday, to 2:30 pm on Sunday.

Solid Organ Transplant Symposium – Kidney and Pancreas-Islet: Sunday 22 June 2025

Led jointly by the TSANZ Renal Transplant and the Pancreas-Islet Transplant Advisory Committees, these sessions will provide an opportunity for in depth updates, discussion and debate on evolving practice. To be held from 9.30 am to 2.30 pm.

Solid Organ Transplant Symposium – Cardiothoracic: Sunday 22 June 2025

Led jointly by the TSANZ Cardiac and Lung Transplant Advisory Committees, this program will consist of both combined and concurrent sessions, covering evolving clinical practice challenges, and promoting discussion and debate. To be held from 9.30 am to 2.30 pm.

Highlights of the 2024 meeting:

345 delegates attended from the Australasian region

93 speakers including 5 international speakers and 28 invited speakers

Over 120 abstracts accepted as oral or poster presentation

18 sponsors included Platinum, Gold, Silver, Bronze and conference sponsors

5 Social networking events

2025 International Speakers

Professor Cameron R. Wolfe, MBBS(Hons), MPH, FIDSA, FAST

Transplant infectious diseases specialist at Duke University, North Carolina, with extensive clinical and research experience in donor-derived infections, vaccination and viral therapeutics in the immunocompromised host. Professor Wolfe is the former chair of UNOS Disease Transmission Advisory Committee and a current TTS-TID council member

Professor Megan Sykes, MD

Michael J. Friedlander Professor of Medicine, Professor of Microbiology & Immunology and Professor of Surgical Sciences, Director, Columbia Center for Translational Immunology, Director of Research, Transplant Initiative, Director, Bone Marrow Transplantation Research, Division of Hematology/Oncology Columbia University College of Physicians and Surgeons, Columbia University

Professor Peter Nickerson, MD, FRCPC, FCAHS

Vice-Provost (Health Sciences) and Dean
Distinguished Professor of Medicine and Immunology
Flynn Family Chair in Renal Transplantation
Max Rady College of Medicine | University of Manitoba
Rady Faculty of Health Sciences | University of Manitoba

Professor Roslyn B. Mannon, MD

Professor, Division of Nephrology
Vice Chair of Research, Department of Internal Medicine
Nephrology Associate, Chief of Research
University of Nebraska
Immediate past Chair of Women in Transplantation

Program

	Fri 20 June	Sat 21 June	Sun 22 June	Mon 23 June	Tue 24 June
Morning	Transplant Infectious Diseases Day	Frontiers and Challenges in Transplantation Update Course	Solid Organ Transplant Symposia <ul style="list-style-type: none"> • Liver (Day 2) • Kidney/Pancreas-Islet • Cardiothoracic 	ASM – Annual Scientific Meeting Conference Sessions	ASM - Annual Scientific Meeting Conference Sessions
		Solid Organ Transplant Symposium-Liver (Day 1)			
Afternoon	Transplant Infectious Diseases Day	Frontiers and Challenges in Transplantation Update Course	Solid Organ Transplant Symposia <ul style="list-style-type: none"> • Liver (Day 2) • Kidney/Pancreas-Islet • Cardiothoracic 	ASM Annual Scientific Meeting Conference Sessions	ASM Annual Scientific Meeting Concludes
		Solid Organ Transplant Symposium-Liver (Day 1)	Commencement of the ASM – Annual Scientific Meeting		
Evening	Transplant Infectious Diseases Day Cocktail Reception	Early Career Committee - Welcome Drinks	TSANZ Welcome Reception	TSANZ Awards Dinner	

Sponsorship

Benefits of participating as a sponsor

- Maximum exposure at a premier meeting devoted to the transplantation Industry
- The opportunity for you to interact and target the most influential professionals in the field of Transplant Medicine
- The opportunity to participate in the excellent social program allowing you to network with colleagues, renew old friendships and foster new relationships
- High visibility on the 2025 TSANZ website and throughout official marketing material
- The opportunity to deliver a clear message that you have a genuine commitment to the industry
- Build new and strengthen existing relationships
- Acquire highly qualified leads and increase brand awareness
- Meet the decision makers and gain instant market feedback

TSANZ Diversity and Inclusion Guidelines

TSANZ is committed to ensuring that those invited to present at the Annual Scientific Meeting are representative of those working in transplantation medicine. In keeping with TSANZ's Diversity and Inclusion policy, we politely request consideration is given to the following issues with respect to selection of speakers:

1. Gender
2. Professional group
3. Organ representation
4. Cultural and geographical diversity

Bronze Sponsor \$10,000 plus GST

Exhibit 3 days (Sunday to Tuesday)

- Position allocated on confirmation and payment - 1 x trestle table
- 1 x Full Delegate Registration at ASM **excludes**
 - Transplant Infectious Disease Day (TID)
 - Frontiers and Challenges in Transplantation Course (FACT)
 - Solid Organ Transplant Symposia (SOTS)
- **Includes** Welcome Reception on Sunday evening and TSANZ Awards dinner on Monday evening
- 4th tier Abstract and Program Book: Listing in the soft copy booklet which will be emailed to everyone (as a PDF) ahead of the conference
- 4th tier recognition as Bronze Partner on conference website with logo hyperlinked to your company website
- Exhibition listing in the app with ability to upload content
- 4th tier recognition as Bronze Partner on app with logo linked to exhibition listing
- Copy of delegate list two weeks in advance and conference eve

Patron Sponsor \$5,500 plus GST

Exhibit 3 days (Sunday to Tuesday)

- 1 x trestle table
- Option to purchase discounted registration tickets for the:
 - ASM and Associated Meetings
 - Welcome Reception on Sunday Evening
 - TSANZ Awards dinner on Monday evening

Discipline Specific Sponsorship Opportunities

Transplant Infectious Diseases Day (TID Only)

Sponsor \$10,000 plus GST

Exhibit 1 day (Friday)

- 1 x trestle table
- 1 x Full Delegate Registration at Transplant Infectious Disease Day (TID)
- Exhibition listing in the app with ability to upload content
- Copy of delegate list two weeks in advance and conference eve

Solid Organ Transplant Symposium - Liver Only

Sponsor \$5,000 plus GST

Exhibit 1.5 days (Saturday and Sunday to 3pm)

- 1 x trestle table
- 1 x Full Delegate Registration at Liver Solid Organ Transplant Symposium
- Exhibition listing in the app with ability to upload content

Solid Organ Transplant Symposium - Kidney/Pancreas-Islet or Cardiothoracic Only

Sponsor \$3,500 plus GST

Exhibit 1/2 day (Sunday to 3pm)

- 1 x trestle table
- 1 x Full Delegate Registration at Kidney/Pancreas/Islet Solid Organ Transplant Symposium
OR
- 1 x Full Delegate Registration at Cardiothoracic Solid Organ Transplant Symposium
- Exhibition listing in the app with ability to upload content

Additional Exclusive Sponsorship Opportunities

ASM Lanyard Sponsor – 2.5 days

AUD \$5,000 plus GST

- Recognition on conference website with logo hyperlinked to your company website
- Corporate logo printed in prominent position (one colour) on the conference lanyard
- 1 x Full Delegate Registration at ASM **excludes**
 - o Transplant Infectious Disease Day (TID)
 - o Frontiers and Challenges in Transplantation Course (FACT)
 - o Solid Organ Transplant Symposia (SOTS)

Phone Charging Station Sponsor – 5 days

AUD \$8,000 plus GST

- Sole Station sponsor of the ASM (5 days)
- Copy of delegate list two weeks in advance and conference eve
- 1 x Full Delegate Registration at ASM **excludes**
 - o Transplant Infectious Disease Day (TID)
 - o Frontiers and Challenges in Transplantation Course (FACT)
 - o Solid Organ Transplant Symposia (SOTS)

Notepad and Pen Sponsor* – 1 opportunity

AUD \$6,500 plus GST

- Recognition on conference website with logo hyperlinked to your company website
- Corporate logo printed in prominent position (one colour) on the notepad & pen

About The Venue

The 43rd TSANZ Annual Scientific Meeting will be held at the National Convention Centre Canberra (NCCC) on 22 - 24 June 2025.

The NCCC is the capital's largest, purpose-built conference, meeting and events venue. With an abundance of natural sunlight, pillarless space, onsite car parking facilities and a central location, the NCCC is a business events venue leader, in the heart of the nation's capital.

We anticipate over 300 delegates to attend the meeting, from across Australia and New Zealand with interest and expertise in transplantation medicine and organ donation process.

We Invite your support

Thank you for taking the time to consider the possibilities the 43rd TSANZ Annual Scientific Meeting has to offer.

We hope that you find value in the opportunities that are available, and we look forward to welcoming you in 2025.
