

# Expression of Interest

## ANZDATA Working Group

**Anzdata is currently seeking expressions of interest for members to join the following working groups**

- *Aotearoa New Zealand Health*
- *Paediatric*

**and expressions of interest for Advance Trainees to the following working groups:**

- *Aotearoa New Zealand Health*
- *Paediatric*

### General Member

Members of the Nephrology Medical, Nursing, Allied Health community are invited to join the working group through the **Expression of Interest** process. Members are selected to provide a range of skills including leadership, sub-specialty expertise, registry data analysis support and teamwork with the aim of ANZDATA-based research to maximise the scientific output of ANZDATA, and to continually review the scientific basis of data collection.

The Working Group will have a role in providing advice to the ANZDATA Executive and operations around

- Assessment and handling of data requests that focus on aspects of dialysis and kidney transplantation.
- Annual review of data items captured by the ANZDATA survey relevant to their area
- Promotion and utilisation of ANZDATA data:
  - Generation of research ideas/data analysis/publication and presentations
  - Fielding queries/applications/suggestions for research from ANZDATA contributors outside the working group and, where deemed appropriate, facilitating such research whether that be carried out by the persons making the request, by the working group, or by a combination of the two.
- Assistance with relevant chapter(s) for the Annual Report

### Advanced Trainee Member

RACP Advanced trainees in Nephrology will be invited to join working groups through the Expression of Interest process as follows:

- EOs will occur annually with one advanced trainee accepted per working group each year for an initial 2-year term
- Maximum of 2 trainees per working group
- Selection will be based on for (i) demonstrated data analysis skills and (ii) current involvement in ANZDATA projects
- Letter of support from RACP supervisor or Head of Unit for Advanced Trainee membership is a pre-requisite for application

### **Expressions of interest should be forwarded as:**

1. A brief cover letter that details which working group you are expressing interest to join.
2. A copy of your current CV
3. Send via email to [anzdata@anzdata.org.au](mailto:anzdata@anzdata.org.au)
