

# National Indigenous Dialysis and Transplantation Conference

The Transplantation Society of Australia and New Zealand, represented by the National Indigenous Kidney Transplantation Taskforce, will host the National Indigenous Dialysis & Transplantation Conference at The DoubleTree Hotel Alice Springs from 20-22 October 2019. The meeting will focus on dialysis and transplantation issues that affect Aboriginal and Torres Strait Islander peoples (Indigenous Australians), capturing the end-stage kidney disease journey from the commencement of renal replacement therapy through to the management of post-transplant care. The Conference will explore these issues through a multidisciplinary lens, with a diverse cohort of speakers representing a range of sectors including nephrology, nursing, primary care, allied health, policy and the Indigenous kidney community. Registration will open in late August; community members, health professionals and policymakers are encouraged to book their place. A provisional agenda will be released in the coming weeks. We look forward to seeing you in the Red Centre!

### **CRECHE SERVICES at NIDTC**

TSANZ would like to look at options for assisting with child minding services at the NIDTC being held at the Double Tree Hilton Hotel from the 20th to 22nd October, 2019 and would therefore like to make contact with those who are thinking of bringing their young children to the meeting. If you are interested, please email Kim Rawson at [projects@tsanz.com.au](mailto:projects@tsanz.com.au) and kindly advise:

- How many children you require supervision for
- How many days you require supervision; and
- Age of child/children

**Closing date: COB Friday 27th September, 2019**
