

TSANZ are inviting expressions of interest for 5 TSANZ members to join the Early Career Committee (ECC). We especially encourage WA, SA, VIC, TAS and NZ ECRs to join us!

Eligibility: TSANZ members:

- undertaking (or within 5 years of completing) PhD studies **OR**
- undertaking (or within 5 years of completing) advanced training in transplantation medicine/surgery/nursing/allied health **OR**
- early career scientists (postdoctoral fellows within 5 years post PhD) undertaking basic science, HLA or clinical research with an interest in transplantation

Duties include:

- Assisting the local organising committee in the planning of the Annual Scientific Meeting (ASM).
In particular: -
 - Meeting and greeting international visitors
 - Participating in session chairing
 - Organising an Early Career social function
 - Organising the annual fun run
 - liaising with the Early Career Network
 - Suggestions for events/speakers at future ASMs
- Possible chairing of the ECC (**please nominate** if you would like to be considered)
- Involvement in the TSANZ grand round presentations

Term duration: 2 years – with option to extend for a further 2 years

Criteria: Please email a 200-word summary indicating why you wish to participate in this committee together with a supporting letter from a senior TSANZ member to tsanz@tsanz.com.au

Closing September 5, 2025
